
COOKIE RULES
for the www.encryptedssd.com web site

Data Protection Information

1. What is a „cookie“?

When a user visits the www.encryptedssd.com web site, a tiny file called “cookie” is placed on your computer, which can serve a variety of purposes.

Some cookies are absolutely necessary for the operation of the website, while others are used to increase performance and user experience.

2. The purpose of „cookies“

- 2.1. is to make the navigation and the usage of the site easier by recording visitors’ settings and usage habits.
- 2.2. is improving the user experience by collecting information about how the visitor uses the website, which pages he/she visits or uses most frequently. So we can find out how to get a better user experience when you visit our site again.
- 2.3. is collecting statistics that we analyse and this helps us to understand how our visitors use the other online services beside the website, so we can develop them furthermore.
- 2.4. to further develop and fine-tune the site to suit your needs.
- 2.5. Place targeted ads to show the most relevant offers for the visitor.

3. "Cookie" types

3.1 "Essential cookies"

The “session cookie” is necessary to browse the site and use the features, among others it makes it possible to save the actions done by a visitor within the features or services of a given site. Without the “session cookie”, the smooth use of the website can not be guaranteed. Their expiration date is the duration of the given visit, “cookies” will be automatically deleted at the end of the session or by closing the browser.

To the extent personal data is processed via these cookies, the respective legal basis is Article 6(1)(f) GDPR as operating the web site is in our legitimate interest.

The appropriate sessions of the website is guaranteed by the current legislation in force.

The following „essential cookies” are used by the web site:

Cookie name	Description	Duration
rc::a	This cookie is used to distinguish between humans and bots. This is beneficial for the website, in order to make valid reports on the use of their website.	persistent
rc::b		
rc::c		
wc_cart_created	Necessary for the shopping cart functionality on the website.	session
wc_cart_hash_#		persistent
wc_fragments_#		session
woocommerce_cart_hash	Necessary for the shopping cart functionality on the website to remember the chosen products - This also allows the website to promote related products to the visitor, based on the content of the shopping cart.	session
woocommerce_items_in_cart		
wp_woocommerce_session_#		1 day

3.2. "Statistics cookies"

Statistic cookies help website us to understand how our visitors interact with the website by collecting and reporting information anonymously.

The web site doesn't use „statitics cookies”.

3.3. "Marketing cookies"

Marketing cookies are used to track our visitors across websites. The intention is to display ads that are relevant and engaging for the individual user and thereby more valuable for publishers and third party advertisers.

The following „marketing cookies” are used by the web site:

Cookie name	Description	Duration
NID	Registers a unique ID that identifies a returning user's device. The ID is used for targeted ads	6 months

4. Check your „cookie settings”, „disable cookies”

Modern browsers allow “cookie settings” to be modified. Some of the browsers automatically accept “cookies” by default, but this setting can also be changed in order to prevent the visitor from

automatically accepting them in the future. In the event of a changeover, the browser will always offer the choice of “cookies” each time.

Dear visitors, please note that since the purpose of the cookies is to support and facilitate the website usability and processes, we can not guarantee that the visitor will be able to fully use all of the features of the web site when the “cookies” are disabled. In this case, the webpage may work differently in the browser.
